ABOUT SAMSON

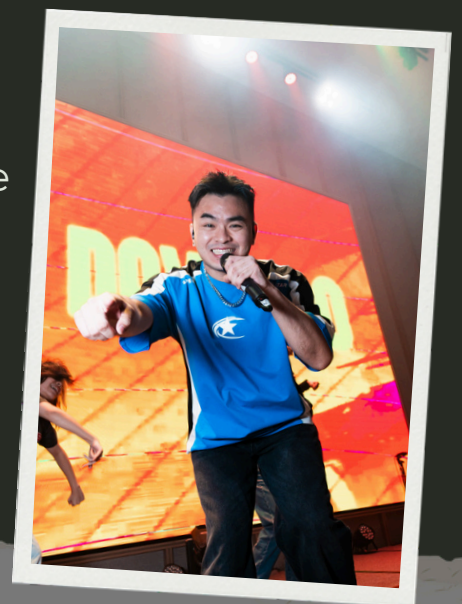

Samson is a contemporary vocal and piano teacher known for his encouraging and student-centered approach. His musical journey began in 2012 through church music, where his passion for singing and piano accompaniment was first ignited. This early exposure shaped his love for music and continues to influence his teaching today.

From 2021 to 2022, Samson served as Head of the Music Department at St. Patrick's Anglican Church, gaining valuable experience in musical leadership, teamwork, and communication. Samson pursued a Diploma in Music Performance (Contemporary Vocal) at UCSI University, training under Lim Wen Suen, champion of The Voice Malaysia, and performing with a contemporary vocal ensemble.

In 2025, he released his original single on major digital platforms and regularly performs at weddings and events. Samson is dedicated to helping students build confidence, musicality, and a lasting love for music.
