About Jammy Hee

Jammy Hee is a Malaysian vocalist, vocal instructor, and music creator with over 7 years of experience in live performance, recording, and vocal education. Passionate about helping others discover their voice, she specializes in Pop, Ballad, R&B, and Jazz.

Throughout her career, Jammy has performed in live events, television programs, commercial projects, and music productions while also mentoring students through vocal coaching and stage performance training. Her work combines emotional expression, musical storytelling, and professional vocal technique to create meaningful musical experiences both on and off stage.
